

Thursday
Dear Nedie: - Your card came
+ another to-day - So glad you
can come next week. We will
have no one here for Xmas.
We all want you to come so as
to be here Xmas morning. We
will get the little tree ready
night before + have the girls
all enjoy it together. Please
cut out the presents. I could
not make anything and do not
want you to give us anything.
We will have just a good time
together. I have had a busy sum-
mer + fall + did not come to see
you "cause I couldn't.
Pa + Ma + our Ministers (7) fam-
ily here to-day to chicken dinner.
Now, say you'll come. So sorry
to hear of Mr. C's condition.
Tell Ma + Pa I come to - Auntie
will have the girls to-day.
